

COMMAND | BRIDGER™

Someone finally put the “new” in
pneumatic.

MEET THE BRIDGER.

 Pneumatic-powered.
Quiet, fast and robust.

 90° turning as fast as
1/10th of a second.

 Engineered durable
to withstand daily use.

 Individual control, or synchronized
with master control.

 Integrated exhaust ports
allow for silenced turning.

 Engineered for all climates with
optional heated thermostat control.

 Actuators and components are
designed for quick maintenance.
